Veteran's Day was wonderful! Each grade level honored our veterans with a short performance. Our guests were touched by the thanks we showed them and we were touched to have them join us.

As you know your child's safety is my top priority. Students continue to be dropped off before 8:20 a.m. There is no supervision prior to 8:20 a.m. If students are dropped off early, the office will be calling home to ask parents to come supervise their children until 8:20 a.m. In addition, for safety reasons, please do not allow your children to climb on the outside ramp and wall.
