It was absolutely wonderful to see so many families at Curriculum Night. I am so proud to work with such a talented group of educators and supportive group of parents. Thank you for all you do! Please do not hesitate to share feedback and ideas with me about how we can continue to make Norfeldt an amazing place for your children to learn and grow. If you are interested in learning more about Growth Mindset, I have included resources at the bottom of this email.

U-turns and K-turns are prohibited on our driveway off of Barksdale. Please, drive up the driveway and follow the arrows around to exit the parking lot.
