

Hello Norfeldt Families!

Please check our website for our typical calendar events:

<http://norfeldt.whps.org/>

In addition, on Tuesday, April 18th we will be having a PEP rally to kick off our "Look for the Good Project." We are inviting students and staff to show their school spirit by wearing school spirit wear or school colors.

Saturday, April 22nd is Earth Day and we are recognizing Earth Day this week in a variety of ways, including having students to begin "waking up" our school garden.

I hope you have a wonderful week!

Jen
